BIG RODEO DAYS SAT. and SUN.

Lemon Grove Review

VOL. 6; NO. 43 — LEMON GROVE, CALIFORNIA JUNE 17, 1954 — 10c Per Copy

The Mason LINE

by Chan Mason

By the time this deathless prose is converted to newspaper print we and our little family will be heading for an Arizona vacation. "Arizona? In mid June?" sez you. "Whatta goof ball!"

"Not so fast," sez we. The folder says, "Pine Clad Mountains, 8000 feet altitude. 300 miles of trout streams, teeming with fighting rainbows." Now, we ask you, "Is there a man alive today who isn't a sucker for that kind of talk?

—ML—

If you didn't see the Elementary School Production of "Johnny Appleseed" you missed a really fine performance of this little Operetta. Even our brother columnist, who prefes to call himself "Friend Dixon," but who in reality is none other than the famous music critic "Knothole" Westover, will have to agree that even the stringed and wind instrumentalists he heard in the times of Bach and Lully were no better than our gals and guys are today.

—ML—

Mourning after tip to all Political Candidates:

If you really want to win in November, get Goodwin and Mason to endorse your opponent in July. This will eliminate any campaign expense to you and you can amuse yourself by watching him die a slow, painful political death.

—ML—

Morbid Musings:

Dark night plus dark street plus dark asphalt equals Pedestrian fatality No. ???

"A Lighting District" you say? Fine, now just who's gonna get it started?

Perhaps we're being unduly alarmed; after all, there are enough shiny beer cans and papers along the curbings to outline the street boundaries along Broadway on the blackest night.

—ML—

More Morbidity:

We wonder if one of those "fringe benefits" we're beginning to hear so much about is the money collected by our Justice Court from fines imposed on some of the "fringe characters" that are appearing in ever larger numbers from our neighboring Metropolis to our West.

—ML—

This is a heckofa way to start a vacation. What we need is a shot of Geritol on the rocks.

Here's the Way L. G. Voted in Three Hot Races

An unofficial rundown of the way Lemon Grove voted in the three most hotly contested races for office in the June primaries were made available today by the registrar of voters.

The Grove did not follow the rest of the county in its voting. Had the Grove been projected out into the county Cloyed would have been the nominee for the Senate on the Republican side and Gibson would have been the Republican nominee for the Assembly. Howell polled more votes than did Adams in Lemon Grove although Strand carried Lemon Grove by 176 votes.

In the race for State Senator here are the totals:

	Rep.	Dem.
Cloyed	634	355
Kraft	625	320
Edmunds	99	1036

In the race for Sheriff, a nonpartisan affair, Lemon Grove cast:

Adams—838
Howell—1024
Strand—1200

The race for the Assembly resulted in what many observers call an upset. Upset or not here are the totals:

	Rep.	Dem.
Bulen	494	175
Gibson	522	121
Hayes	66	288
Hegland	196	973

L. G. Linoleum Moves Next Week to Make Way for Michael's

The Lemon Grove Linoleum Co., which is moving to make way for another entrance for Michael's Dining Room, will occupy a building at 8127 Broadway about June 20, John Neenan announced this week. The location to which the linoleum company plans to move is now occupied by the Holford Electric Co. The latter firm will move to a location near the center of the Lemon Grove Business district soon.

"Heavyweight champs sure come in small sizes these days. Why, Marciano hardly comes up to my shoulders."

New Variety Store to Be Built On Broadway

A new 5 and 25 cent store will be built on the vacant lot west of Sprouse-Reitz on Broadway, it was announced today by Joe Cornet, president of Cornet stores.

A modern type store will cover the 50 by 213 foot area and construction will start within 30 days, Cornet said. Plans have already been drawn. The property was purchased from Sonka Brothers and the sale was handled by Coldwell and Banker, Los Angeles property brokers.

The complete project will represent about a quarter of a million dollars, Mr. Cornet told the REVIEW and will employ fifteen persons on a full time basis. Additional personnel will be acquired for selling seasons, he said.

The firm operates 87 other 5 and 25 cent stores in the western part of the United States. Two Cornet stores are in San Diego, one in El Cajon, two in Escondido, and one in Pacific Beach. A similar project is being negotiated for in Chula Vista, he revealed.

Cornet, a Belgian by birth who received his citizenship papers in 1915 and is now an American citizen, said that he has been eyeing Lemon Grove property for the past 18 months. He said that he has been passing thru Lemon Grove enroute between his El Centro and San Diego stores and had observed the growth and great potential that Lemon Grove offered and proceeded to acquire the property. "When I first started making the trip to the El Centro store Lemon Grove consisted almost entirely of citrus groves, as near as I can remember," he said.

While the sale price of the property was not revealed by either of the principals, Federal stamps on the transaction indicate that the property sold for $650 per front foot, a new record for Lemon Grove property.

Headquarters for the Cornet chain is in Pasadena.

Local Firm Gets El Cajon Hi School Job

A local building contractor won the award for the new El Cajon High School with a low bid of $12.08 per sq. ft.

O. L. Carpenter, who maintains a contracting firm and warehouse at 8095 Imperial Ave., was notified last week by the Grossmont High School Board that he was low bidder on the 14 room complete high school at Mollison and Madison.

Total bid was for $1,859,769. Carpenter is also the builder of Helix High School.

Rev. Apra Named Kiwanis Veep

Rev. Dan Apra, pastor of the Lemon Grove Congregational Church, was unanimously named vice-president of the Kiwanis Club following a move up of the officers occasioned by the resignation of the present president, Thomas Warburton, vice-principal of Helix High School, who is taking a sabbatical leave to acquire his doctorate at UCLA.

Under Warburton's guidance the Kiwanis Club started the Swimming Pool Carnival, the work of which was shared in by most other clubs and organizations of Lemon Grove. The net result was approximately $2500 towards the eventual building of the pool.

A leather brief bag, suitably initialed, was presented to Warburton this week as a token of esteem of the members of the organization. Although Warburton will spend most of his time in Los Angeles, at school, he will maintain his home in La Mesa.

Rev. Apra has been active in Kiwanis work since joining the organization several years ago. He will aslo be program chairman for the remainder of the year.

Max Goodwin, vice-president, and editor of the Review, was elevated to presidency.

S. V. Fireman's Ball To Be Held Saturday

Climaxing many weeks of planning, Spring Valley's Second Annual Firemen's Ball will be held Saturday at the Spring Valley Community Center.

Dancing from 9 to 1 will be to the music of Sammy Santos Orchestra, with refreshments and

New Officers Installed by Lionesses

When the Lemon Grove Lionesses installed new officers earlier this month this pretty picture resulted.

The retiring president, Mrs. Robert Von Willer is presenting the gavel to Mrs. Roy Erwin in the above photo. Looking on are: Mmes. Bruce Harms, vice president; C. F. Baxter, secretary-treasurer; Paul Lauer, director. Mrs. Erwin will preside for one year.

The Dimmer VIEW

by Max Goodwin

The Review batted 100% in the primary elections. I think no other paper can claim this distinction. We now hold the dubious honor of not having a single candidate, that we supported get the voter's nod.

This record was in danger for a while as Ralph Cloyed and Fred Kraft ran neck and neck in the race for State Senate, but Kraft finally won out. My friend Jim Utt got the Republican nomination for U. S. Congress and I supported him but I did it more because he gave me an American flag which he first had flown over the U. S. Capitol than because he needed my help. I didn't feel that I had to do much for Jim because he's done a pretty good job for himself so I wasn't about to gild the lily. I must admit that Jim won in spite of my help, but mostly he won because he deserved it on the basis of his past record.

In the race for sheriff I attacked Bert Strand, whom I called, in a fit of temper, a "blithering old idiot." The night of the election, before the first vote had been tabulated, we were both guests at a vision-safety banquet. Bert walked up to me and stuck out his hand "You're the only man I know with a temper as hot as mine," he said. How can you stay mad at a guy like that?

Johnny Gibson, an honest and astute business man ran a close race for the assembly and I think

Over My Shoulder

By A. F. "TONY" SONKA

George Casteel is presently putting out a folder which tells of his "first 25 years" in Lemon Grove and in it he draws a comparison between then and now.

Not many people are here now who were here 25 years ago and even a comparison between now and five years ago shows a dramatic change.

Five years ago, in 1949, George wrote a mailing piece which described the community at that time. The change is almost unbelievable. I'll list some of the things he wrote about in 1949 and compare them with what we have in Lemon Grove today.

For example, he listed the population then at 6500, today it is 17,500, but even in 1949 he pointed out that there had been a 300% gain since 1940. School enrollment that year was 1,172—today the elementary school alone lists 2,700. At that time George was suggesting that schools to be built in Vista La Mesa and Monterey Heights would serve that heavily populated area. Building permits at that time showed that

The Dixon LINE

By Friend Dixon

Here's a change in tempo. Because we are thought to be somewhat irreverant, possibly because we are detached from conventional thinking and perhaps at times outspoken, we commend for good reading "The Lookout Wife" by Jeanne Kellar Beaty, whose husband was in the U. S. Forest Service in the Idaho Ponderosa Pine Country. She has this to say:

"To me there is no cathedral that can compare with a mountaintop, whether one worships a conventional God or whether he holds communion with the universe. In the same vein, there is no need to wait until death for immortality. If there is eternity, it lies not in death. It lies in the wind, for the wind that caresses my cheek today is the same wind that swept through Ninevah and Tyre. If there is immortality, it is as the stars are immortal, for these same stars to which I look at night shone down upon the Caesars. Immortal are the sun and the moon which since the beginning of man have brought the day, the bright, shining day, for the fulfillment of his ambitions and the night, the quiet, blue night, for his rest. Kings, Christs and peasants have looked to the same setting sun that I see now."

And, now getting closer to home, we spent a great part of our life in the redwood country and know of no finer cathedral than

Continued on Page 8

School Budget of $876,328.00 is Adopted

A preliminary budget of $876-328 was adopted Monday evening by the Lemon Grove School District board of trustees. This budget shows an increase of $94,357 over last year's budget of $781-971, due to an increased enrollment of 250 more students, a three per cent increase in salaries of certificated and classified personnel, and the need, during the coming school year, to equip and staff approximately 30 new classrooms soon to be under construction.

In approving the summer recreation program at the junior high school, the board named Mike Calderone to head activities. At the same time they denied a request for a music department during these vacation months because of similar programs offered at Helix High and because of a need for student relaxation during these weeks when school is not in session.

The firm of Rugger and Foster, who have just completed a new school in the Cajon Valley District, and who formerly built the Vista La Mesa additions here, was awarded the bid for the Golden Avenue School additions. The board determined that the bid should be given to the lowest responsible bidder. The amount of the Rugger and Foster bid was $77,000 for five classrooms and one kindergarten room. Construction is expected to begin within two weeks. Bid by Van der Wyk and Lewis of $75,000 was rejected.

Reports by Rush Rawley and Dr. Wilhite of the Citizens Advisory Committee stated that several types of accident insurance are available to parents. The school will inform and poll the parents on such insurance in the fall.

September 13 was set as the opening day of school in the fall, with a pre-school work shop for teachers scheduled for September 7 through the 10th. The school term will run 177 days, ending on June 17, 1955.

School Board to Present Diplomas To 195 Students

One hundred and ninety-five students from the Lemon Grove School District will be graduated to Helix High School this evening, Thursday, June 17, at 6:00, when diplomas are awarded the class by Robert Brown, Harry Griffen, and Frank Armstrong, members of the local board of trustees. Presentation of the class will be by Ben I. Schei, junior high principal.

Following the processional to the scene of the graduation, the area east of the auditorium, the invocation will be given by the Rev. J. Phillip Bartlett of the Lemon Grove Episcopal Church. Musical numbers will be presented by the vocal ensemble, made up of the boys' double quartet and the girls' double trio, and the graduation choir. The clarinet quartet, with Roger Humphrey, Janet Baxter, Mary Telles and Burton Brown, all eighth graders, will also play for the musical part of the program.

Mari Lehtonen will introduce Jo Ann Ziders, Vernon Mayes, and Carolyn Randall, graduation speakers, and will also summarize the theme of the graduation, "Our American Heritage."

Awards to the boy and girl selected by the faculty as outstanding in citizenship will be made by Byron L. Netzley, district superintendent. Luther Hussey will make the annual Kiwanis award to the student who has achieved the most outstanding scholastic record. Winners of these awards will not be announced until the time of presentation on the platform.

Approximately one thousand parents and patrons are expected to attend these ceremonies which will graduate the largest class in the history of the school. Following the graduation, the annual party and dance will be held in the school auditorium.

Scout Volunteers Fix-Up Camp Tapawingo

Wayne Smith and family, 6739 Hibiscus Dr., camped out at Camp Tapawingo, Girl Scout Camp near Julian, last week. They were part of a group of 54 who volunteered to clean-up and fix-up the camp for the summer season. It was the first time such

By KEN WEAVER
Chairman of Rodeo Publicity

Saturday and Sunday, June 19 and 20, will become two gala days and nights of carnival fun and hair-raising rodeo thrills at Lemon Grove's "Mission Rancho" when Saint John of the Cross rodeo-fiesta swings into action. Sparked with greater enthusiasm, than heretofore has been seen, various committees are quickly completing every minute detail to bring a show all southland will long remember and will talk about for months to come, officials said.

Scores of champion cowboys of the rodeo world will match skill and daringness for abundant prize money, and points toward championship honors, which automatically become double-awards for the winners.

Sherman Crane, the funnyman clown of the show will display ease and smoothness to mimic difficult tasks the cowboy champions regard as almost impossible feats. Peaking his performance with his exciting Bullfighting act, Crane in his humorous style will capture the interest of young and old alike.

Roy Hogsed to Be Marshal

Roy Hogsed, southland's singing cowboy on TV Channel 10 will be lead-off Grand Marshal.

Riding behind Roy Hogsed will be those beautiful Torrence sisters, Pat and Bug. These two daring trick-roping and riding stars have a bag of tricks, never before seen at Lemon Grove, that is certain to give the audience full value for their admission fees. Making their California debut, direct from capacity shows throughout the country, the Torrence sisters will peak their act with their breath-taking "Stroud Standout," which has never before been attempted, let alone completed, by any girl in the rodeo world of today. The Torrence sisters will also make a personal appearance on Hal Keen's "People in the News" television show on Friday night, Channel 8. For beauty, color and thrills, the Torrence sisters have no peers.

Vern Goodrich, Hollywood's favorite cowboy star, will co-star with the Torrence sisters, exhibiting his many tricks, feats and stunts which have for many years brought thrills to his many followers. Vern Goodrich will be appearing, with four of the beautiful red haired usherettes and program girls of the rodeo, on Smokey Roger's Record Panel on Channel 8, Friday afternoon.

For the past few days and nights the committees responsible for the rodeo-fiesta booths and concessions have been busy completing the beauty of the booths with streamers, banners, and flags. Overnight, the drab colorless rodeo arena has turned into a field of color. Hundreds of additional bleacher seats have

Fr. John McDonaugh — pastor of the church which sponsors the Rodeo.

been brought in to seat the hundreds expected to be on hand. The grounds have had daily care and treatment to insure tip-top performance for the cowboy and cowgirl stars. Food and refreshment by the truck-load pour steadily in with more provisions than have ever been ordered, for the all-out signal has been voiced by Reverend J. W. McDonough, pastor of Saint John of the Cross, with the assurance that this year's show will be the finest ever.

Red Haired Girls are Used

Tents Are Up for Del Mar Fair

DEL MAR—The 265-acre fairgrounds here is becoming alive with activity for the Southern California Exposition and San Diego County Fair which opens an 11-day run June 25.

Huge tents for the agriculture exhibits and auto show are already up. First shipments of livestock from Southern California and Arizona will arrive Saturday, June 19.

An exposition area for "Dancing Waters," famed water ballet which has played to more than 10 million persons, has been erected at the west end of the grandstand.

The 3½-acre floriculture show grounds have been revamped to allow more space for exhibitors. The picnic area has been increased.

The schedule for name bands that will appear daily in front of the grandstand has been completed. The Sauter-Finegan orchestra will open June 25. Les Brown will follow June 26.

Lawrence Welk and his television entertainers including Alice Lon, the Champagne Lady, and Myron Floren, will play June 28 and 29 and July 5. Spade Cooley and his western band featuring Tom Gumina, Phil Gray and Anita Aros will perform June 30 and July 1. Smokey Rogers appears June 27 and July 4. Benny Lagasse plays July 2 and 3.

Vaudeville entertainers and animal acts, including the famed Curtiss pony hitch, also will entertain daily.

Parking areas have been enlarged to hold 10,000 cars. Transportation to Del Mar, 19 miles north of San Diego, is available

Continued on Page 8

OLD GLOBE TO RUN DOUBLE FEATURE

A unique production featuring two richly costumed comedies, "The Great Catherine" and "A Phoenix Too Frequent," will open at The Old Globe Theatre in Balboa Park next Tuesday, June 22, running for three weeks through July 11. This show marks the first time in Globe history that two plays have been produced together, and is the final show of the season before the Shakespeare Festival which opens July 23.

Easily the most lavish production of the current season, George Bernard Shaw's "The Great Catherine" will be costumed by one of Hollywood's leading houses under the supervision of Robert M. Abel, hired by The Old Globe for this show and the Shakespeare Festival, director Craig Noel announced.

NEW OFFICERS NAMED FOR MUSIC PARENTS' CLUB

The last meeting of the Lemon Grove Music Parents' Club, held June 7, was quite well attended, there being approximately 50 people there. The club voted unanimously to accept the slate of officers suggested by the nominating committee, as follows:

President: Mrs. Vernon Linden.
Vice President: Mrs. John Cornelius.
Secretary: Mrs. Casper Amundson.
Treasurer: Mr. Will Dawson.

They were installed by the outgoing president, Mrs. Grover McMahon. She expressed appreciation for the fine help she had received this past year from the

BOY'S PROJECT TO PROFIT FROM DEL MAR TRACK

DEL MAR, CALIF.—Work of preparing the Del Mar Turf Club for the Fifteenth Summer Meeting, opening July 27, got the green light this week from its new controlling ownership, headed by Clint W. Murchison and Sid Richardson, widely known Texas financiers.

The deal to purchase the controlling stock from the Alfred and Viola Hart Charitable Foundation was announced last Friday. Murchison said the new combine's stock profits will be used to start the wheels rolling on Boy's, Inc., a national charitable organization for under-privileged boys.

A new board of directors was elected, with Gen. Holland M. Smith, the Marine Corps hero of World War II, as the president of the Turf-Surf course. Gen. Smith is retired and lives in La Jolla.

Other directors include Louis B. Mayer, Beverly Hills, vice-president; Walter C. Marty, La Mesa, managing director; W. E. Cravens, Los Angeles, secretary-treasurer; Mrs. Ann Peppers, Mentone, Calif.; Gordon Guiberson, La Jolla; Rex C. Ellsworth, Riverside, Calif.; C. Ray Robinson, Merced, Calif.; Sam Dunham, Los Angeles; and Fritz Hawn, Athens, Texas. Mayer and Mrs. Peppers are holdovers from the old board of directors.

Marty, who will supervise and direct the policies of the new owners, is one of the most experienced racing figures in the United States. He began his career as a pari-mutuel calculator at Overland Park, near Denver,

For the benefit of those who were not able to get to the seashore for the Memorial Day holiday, the Review, as a public service to its masculine readers, brings a picture of Lynn Lempert, to heighten your vacation appetite. Lynn was formerly Miss Texas in the recent Miss America Pageant and is now serving as a model in Hollywood.

No, we do not have the telephone number.

INSTALLATION MADE OF COURT TERESA OFFICERS

Miss Lillian Kennedy, District Deputy, installed the new officers of Court Teresa of Avila, Catholic Daughters of America, at ceremonies held in the St. John of the Cross Auditorium. She was assisted by Mrs. Mary Lodermeier of Court St. Margaret, Chula Vista.

Mrs. Myrtle Osterberg was seated as Grand Regent; Mrs. Lucy Rosiak, Vice Grand Regent; Mrs. Barbara Roderfer, Prophetess; Mrs. Rosemary Price, Financial Secretary; Mrs. Helen Skerit, Historian; Mrs. Mary McGee, Treasurer; Mrs. Mary Williams, Lecturer; Mrs. Annette Madigan, Monitor; Mrs. Betty Woestman, Sentinel; Mrs. Ellice Heraty, Organist; Trustees, Mmes. Eleanor McCormick, Mary Koch, Mary Ferry, Ruth Galusha, Connie Koenekamp, Dorothy Pfeiffer.

A business meeting followed. The Past Grand Regent, Mrs. Eleanor McCormick, presented the Court with an award she received at the California State Court Convention for the largest percentage of increase in membership in the State of California.

"Shoppers are Funny"

By BOB TURNBULL

Many of my past articles have seen yours truly report some of the humorous antics seen done by shoppers and store personnel alike. This week I would like to approach a serious statement and clear up a few factors concerning a new change at "Big Ace."

As most of you know by this time Mayfair Markets has bought the stock interests of "Big Ace." The effective date of the sale is to be July 1, '54. At this time I would like to quote a succinct message from Jim Banister, present president of "Big Ace." Jim says, (concerning the sale) that "No change in the management, policy or operations is expected." Sounds good doesn't it?

Look at it this way: With two great organizations combining forces for the benefit of you shoppers, why the store in Lemon Grove will be a "Land of Plenty" in no time.

The store will continue under the same efficient managers, clerks, etc., as they have now. Specials will flock the aisles as per usual. The store policy will still remain unchanged—friendliness, cleanliness and the best of all foods. The store hours will remain the same, and that is, "Big Ace" is opened 7 days a week from nine in the morning till ten at night.

You don't know how "Bag Ace" is welcoming Mayfair. The excitement is running high and once every detail is ironed out the store will be twice as much fun as it is now. (And that's going to be pretty durn good.)

Advertising Doesn't Cost. It Pays.

Congratulations to the newly installed officers and complimentary remarks to the outgoing officers were extended by Court Chaplain, Rev. John McDonagh, State Treasurer Elect, Mrs. Claire Fitzgerald, and Miss Lillian Kennedy, District Deputy of the Court. The newly elected officers representing the other courts of San Diego were introduced as well as the Diocesian Chairman of Legislation, Mrs. Elizabeth Sokol; Extension, Mrs. Margaret Amick; Education, Mrs. Clara Brisco.

Mrs. Barbara Rodefer presented the Past Grand Regent, Mrs. Eleanor McCormick, with a gift as a token of appreciation from the officers and members of the Court.

The meeting was adjourned with prayer by the Court Chaplain until the next regular business meeting, July 6.

Mrs. Mary Ferry, Refreshment Chairman, assisted by members of her committee, served dainty refreshments at the beautifully decorated tables, which were arranged by Mrs. Helen Bolshazy.

County Fair To Feature Local Flowers

Southern California's position as one of the world's flower growing centers will be stressed during the Southern California Exposition and San Diego County Fair at Del Mar, June 25 through July 5.

A 3½-acre display, feature of the exposition since 1936, has been revamped to provide more space for exhibitors. More than 1,500 entries are expected from florists, nurseries and women's clubs.

In keeping with the exposition's theme, "The World at Your Doorstep," varieties of trees, shrubs and flowers from all parts of the world will be displayed. These include everything from giant cedars to locally grown orchids.

The flower show will be divided into three principal categories, Superintendent M. E. Salsberry said.

Outdoor displays under a large net will include 29 exhibits of landscaping, formal gardens, old-fashioned gardens, rock gardens and nursery products.

Among 26 displays in lath houses are ferns, begonias, orchids and cacti.

Florists' displays will include cut flowers such as roses, carnations and dahlias. A large display of water lilies will be found in two pools on the floriculture show grounds.

An added feature will be four beautifully landscaped model homes. Four San Diego County landscapers drew lots for the adobe, wood, brick and concrete block houses and are competing for landscaping awards.

New Type Tire To Be Offered

The new premium U. S. Royal tire recently put on the market, is being handled in Lemon Grove by Gene Watson, the Union Oil Service dealer at Buena Vista and Broadway.

Makers of the tire claim eight advantages: 1, totally new ride; 2, totally new silence; 3, totally new steering; 4, totally new styling; 5, totally new traction; 6, totally new safety; 7, totally new mileage; and 8, no premium in price.

The tire, it is said, has a new tread row design and a new cushion contour shape. It also has new continuous running ribs, all of which is supposed to reduce squealing and tire noises.

New stabilizer ribs built in the tire are said to give it new steering ease and better traction. It is also claimed that the new tire has a 25% greater tread wear.

Alfred Hitchcock, the suspense film director whose trademark was once his own rotund shape, told reporters in London how he'd dropped from 300 pounds to 187. "It's been murder—sheer masochism. For months it's been one meal a day—a lamp chop and a few beans. And not a drop to drink."—FORTNIGHT

YARDAGE FIRM TO OPEN

Barrett's Yardage Shop, 3488 Main Street, will open this week the operating partners announced today.

Mrs. William Hughes and Howard Barrett are the firm's heads. The concern will feature dressmaking as well as handling material by the yard. Mill-ends will be handled for economy minded patrons, Barrett said.

Mrs. Hughes resides with her husband in La Mesa.

DEDICATION OF BOY SCOUT SWIMMING POOL WILL BE JUNE 24

The Boy Scouts of the San Diego County Council have been looking forward for years to the completion of a swimming pool at their summer camp, Hual-Cu-Cuish, near Cuyamaca Lake.

This pool, with attendant facilities, has now been completed and will be opened for the summer camping season starting this month. It is of modern construction with complete filtration and water purification facilities, size 35 feet by 75 feet and has a capacity of 100 swimmers.

On Friday evening, June 25th, there will be a combined family picnic, dedication ceremony and water show held on the camp grounds and at the pool site, to which all Boy Scouts, their parents, registered Scouters and friends of Scouting are cordially invited to attend. Picnickers should bring their own food and picnic at discretion on the camp grounds prior to 7:00 p.m. at which time the dedication ceremony will be conducted followed by the water show at 7:30 p.m. Coffee and lemonade will be served without charge.

To reach the camp from the San Diego metropolitan area take Highway 80 to 1 mile beyond Descanso Junction, turn left on Highway 79, proceed about 12 miles to trout pond along highway near Cuyamaca Lake, then turn left and enter marked gate at Boy Scout Camp grounds. Total distance from San Diego slightly less than fifty miles.

SCOUT TROOP 108 NAMED OUTSTANDING

Hard work and much patience paid off for the Lemon Grove Boy Scout Troop 108, sponsored by the Congregational Men's Fellowship, when they received an outstanding award for the Firemanship Booth at the recent 1954 Scout Fair.

Charles Becker, 2nd class Scout, won a special award for an outstanding performance.

Mr. Barr, Scoutmaster, and his assistants, Mr. Hull and Mr. Denlinger and the troop committee said they were proud of the troop.

In Los Angeles five persons were indicted for the fake-accident racket. The trick: one car runs into the back of another, driver of the front car claims back injuries.—FORTNIGHT

THE CONDITIONAL SALES CONTRACT

If millions of people—including you—did not buy the output of our factories, our vast industries would fold. To buy—at mass production prices—and to use our cars, radios, TV sets, and the like while we are paying for them, we need credit. We buy on the installment plan. In legal language, we buy under a "conditional sale contract."

Suppose you want to buy furniture costing $300, and you don't have the cash. You pay, say, $30 down and promise $25 a month until the balance has been paid.

But here is the contract's "condition": You do not **own** the furniture until you have paid for it in full. You have an interest in it, but not title. You promise to pay the $300, plus "carrying charges," and the store promises to give you title to the furniture at the time **on the condition** that you do pay the full price.

Credit is a great convenience. Because of it we can uphold a vast mass market. But credit can be abused, by the very few. To protect credit generally, conditional sales contracts often have "teeth" in them!

The store has title to the furniture and can take it back if you do not make your payments on time. You promise to pay taxes on the furniture. If you fail, the store does pay them and adds them to the bill. You cannot sell the furniture or take it out of the city, or even to a new address, certainly not without the store's permission.

You keep the furniture at your own risk. If you break your new chair, you must still pay for it. To protect itself, the store requires you to insure the furniture.

You must keep the furniture in good repair. If you fail, the store can take it back, repair it, and charge you for the repairs.

In most such contracts, you agree that the store may keep all your payments and also may take the furniture back, if you do not perform your obligations.

But most people do pay their bills. Few such contracts reach the courts, compared with the many which are in effect. Because you intend to live up to your contract you ought to read it carefully before you sign.

NOTE: The State Bar of California offers this column for your information so that you may know more about how to act under our laws.

AREA NO. 29, MAIN STREET ET AL, LEMON GROVE
Re the Construction of Side-) walks and Curbs in a Por-) tion of the Unincorporated) Area of the County of San) Diego, Area No. 29; Resolu-) tion of Intention.)

WHEREAS, the report, as modified, prepared pursuant to Division 4 of the Streets and Highways Code (Special Assessment Investigation Limitation and Majority Protest Act of 1931) covering the proposed improvement, including grading and installation of sidewalks and curbs in Main Street et al, in the vicinity of Lemon Grove, in a portion of the unincorporated area of the County of San Diego, Area No. 29, is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and may be examined at said office; and

WHEREAS, on May 11, 1954, the Board of Supervisors adopted a resolution entitled "Resolution: Making Finding in Debt Limitation Proceeding and Appointing County Surveyor as Engineer";

NOW, THEREFORE, on motion of Supervisor Howell, seconded by Supervisor Bird,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Supervisors to order the following work to be done and improvement to be made, to-wit:

The grading and construction of sidewalks and curbs in MAIN STREET—That portion of the westerly 10 feet of Main Street lying between a prolongation of the center line of Central Avenue as shown on the Map of Foran Manor Unit No. 2, No. 2449, filed in the Office of the Recorder of San Diego County, and the easterly prolongation of the center line of Burnell Street as shown on the Map of the Resubdivision of Bryan and Braiden's Addition to Lemon Grove, No. 1179, filed in said Recorder's office.

CENTRAL AVENUE—That portion of the south 10 feet of Central Avenue lying between the west line of Main Street and a line that is parallel with and distant 18 feet at right angles west from the west line of said Main Street; together with that certain triangle bounded by the curve forming the Northeasterly line of Lot 48 of said Foran Manor, and the Easterly prolongation of the north line of said Lot 48 and the northerly prolongation of the east line of said Lot 48.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefore, bearing said Road Improvement District number 6002, contained in Document No. 171209, on file in the office of the Clerk of the Board of Supervisors of San Diego County, and copies of which are on file in the office of Joseph H. Mack, County Surveyor, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the recordation of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semi-annally by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Board of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain Map bearing Road Improvement District Number 6002 entitled "Plat showing the extent of the territory benefited by and to be assessed to pay the costs and expenses of street improvements in Main Street, Lemon Grove, in a portion of the Unincorporated area of the County of San Diego," indicating the exterior boundary lines of such district, which map, approved by the Board, is on file in the office of Joseph H. Mack, County Surveyor, Engineer herein, City and County Administration Building, Room 306, 1600 Pacific Highway, San Diego, and a copy of which is on file in the office of the Clerk of the Board of Supervisors as Document No. 171210, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of such district.

That it is the opinion of said Board that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 29th day of June, 1954, at 11:30 o'clock a.m., in the Board of Supervisors' chamber in the City and County Administration Building, 1600 Pacific Highway, in the City of San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors in Room 308 in the City and County Administration Building. No other protests or objections will be considered.

That the said Clerk be, and she is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review hereby designated for that purpose by the Board of Supervisors.

That the said Clerk be, and she is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to the Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of the Board of Supervisors shall, upon completion of the mailing of said notices, file with the Board of Supervisors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

That the County Surveyor, Engineer herein, shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Engineer shall cause to be filed in the office of the Clerk of the Board of Supervisors, an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendments thereto.

PASSED AND ADOPTED by the Board of Supervisors of the **County** of San Diego, State of California, this 9th day of June, 1954, by the following vote:

AYES: Supervisors Bird, Robbins, Rossi, and Howell
NOES: Supervisors None
ABSENT: Supervisor Gibson

STATE OF CALIFORNIA,)
) ss.
County of San Diego,)

I, R. B. JAMES, County Clerk of the County of San Diego, State of California, and ex-officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the Seal of said Board of Supervisors, this 9th day of June A. D., 1954.

(SEAL)

R. B. JAMES,
County Clerk and ex-officio Clerk of the Board of Supervisors.
By W. ROUSSEAU, Deputy.

L. G. Review, June 17 & 24, 1954

AREA NO. 23
LEMON GROVE
Assessment No. 33
NOTICE OF FILING OF ASSESSMENT AND OF TIME OF HEARING
Dated: June 3, 1954

TO: ALL PERSONS INTERESTED

NOTICE IS HEREBY GIVEN: That the Superintendent of Streets of the Lemon Grove Sanitation District has filed with the Secretary of said Lemon Grove Sanitation District an assessment to cover the sum due for the work performed and specified in the contract, including all incidental expenses, for the construction of sewers, manholes and appurtenances in Mount Vernon Street and El Prado Avenue, all as more fully set forth in the Resolution of Intention adopted December 1, 1953, by the Board of Directors of the Lemon Grove Sanitation District, to which reference is hereby made;

That on the 13th day of July, 1954, at 11:45 o'clock a.m. in the Board of Supervisors chamber in the City and County Administration Building, 1600 Pacific Highway, in the City of San Diego, California, all persons interested in said work or said assessment will be heard by the Board of Directors of the Lemon Grove Sanitation District. Any person feeling aggrieved by any act or determination of said Superintendent of Streets in relation to said work or assessment, or who claims that the work has not been performed according to the contract, or who claims that any portion of the work was omitted or illegally included in the contract, or having any objection to the correctness of the assessment or diagram or other act, determination or proceedings of said Superintendent of Streets shall prior to said time appeal to the Board of Directors of the Lemon Grove Sanitation District by briefly stating in writing the grounds of appeal.

(signed) Marie Nasland
Secretary of the Lemon Grove Sanitation District, 308 Civic Center, San Diego, California.

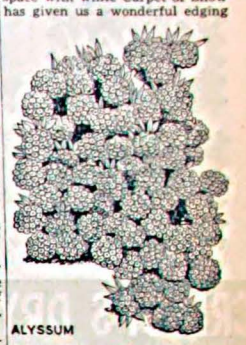
Alyssum Peachy For Lemon Grove Gardens

Because of the ability of Alyssum to be transplanted in full bloom and give color from the day it is planted, it is of particular merit to use for summer Lemon Grove plantings. Due to its drought resistance the plant holds up well during heat waves and can even weather "two weeks vacation" with little setback.

The recent introduction of dwarf violet alyssum to interspace with white Carpet of Snow has given us a wonderful edging



ALYSSUM

combination. These two types grow practically flat and virtually cover the ground with a mass of color during their blooming period and are quite compatible color wise.

Sweet Alyssum is easy to care for with little water and fertilizer needed and few pests to bother it. Best results are had by planting in well drained soil in full sun. One spraying with chlordane should discourage ants and other insects. As the planting tends to overgrow, a slight trimming will give a neat appearance and stimulate growth.

According to the California Bedding Plant Advisory Board another member of the family, Alyssum Saxatile, is seen in bloom in many gardens this time of year. It is commonly called "Basket of Gold" and is a mass of bright yellow flowers. While commonly available in nursery flats during the late summer, fall and winter, it tends to become scarce at this time of year. Remember that alyssum is a good item to plant through fall.

Senator John Bricker (R-Ohio) arrived in Los Angeles to speak before local groups. Observed the senator: "I've been fighting for the Bricker Amendment for more than three years to get it enacted into law . . . the fight has just begun."—FORTNIGHT

INDIAN FANTASY PRESENTED M. H. YOUNGSTERS

The second and third grades under the able direction of Mrs. Dorothy Geissler, took their parents, in fantasy, back to the time of the Hopi Indians.

Gloria Adams acted as mistress of ceremony. The Hopi Indian chant was led by Susan Titmas and Ronny Pledger. Many authentic "Indian Mother Goose" rhymes were recited by Dorothy Wylie, Candace Laurie, Charlott Hughes, Kathy Jo Durham and David Codina.

A chant "planting of the corn" was given by the girls while the boys kept time with their fists on the floor. The tables were turned when the boys recited the "crow chant."

Kochina masks and Indian jewelry used in the performance were made by the children and showed a lot of imagination both in color and design. The children have been studying the habits and customs of the Hopi Indians for the past year.

FLAG CEREMONIES MADE MORE MEANINGFUL AT JR. HIGH SCHOOL

The newly adopted flag salute was recited by students of the Lemon Grove Junior High School on Monday morning of this week when classes gathered in the front circle by the flagpole to witness the flag raising ceremonies and the pledge of allegiance. Including the words "under God" following the word "nation," the boys and girls gave the new pledge in celebrating Flag Day. Ben I. Schei, school principal, spoke to the students on the meaning of the holiday and the country's flag.

Hamilton Brothers Takes on International Truck Agency

What better way can you think of to publicize a new automotive agency than a pretty girl in an attractive pose?

With these ingredients, the story is pretty well told. It's Rolla Hamilton, operator of Hamilton's Automotive Service at 3553 Imperial Avenue eyeing a new International truck, the agency for which he has just acquired, while Rosetta Moore, our favorite model, adds to the attractiveness of the scene.

Civil Defense Notes

Charles Gurley HO 6-3745

No Sir! You can't do it here now. That is you can't for the time being. You have had any number of chances to take courses in First Aid, and while many have done so, numerous others have not availed themselves of these opportunities. So, locally we are calling it off until September 1 at which time we will notify you again and give you one more chance.

Courses in Red Cross First Aid are very definitely the most important bits of knowledge any human being may acquire. Someone with such helpful means may help save your own life, and you in turn, if you'll get busy and acquire it, may help save your children or close friends from serious consequences.

"So long as we haven't quoted anybody," said Dr. Frank B. Gigliotti, "but there are thousands who feel this way about Red Cross First Aid and only hope and pray that the numerous persons who should take such courses may be released from the lethargy that interferes.

"At this time we are pleased to announce that Captain 'Skip' Heidick has accepted the important job of Chief of Staff, in charge of Personnel."

L. G. P-TA BAKE A HAM AND HAVE A PICNIC

Members of the junior high faculty at Lemon Grove, with their wives and husbands, were guests of the executive board of the Lemon Grove School P-TA at a picnic dinner last Wednesday evening in the school cafeteria. A meal of baked ham, salad, baked beans, and dessert was enjoyed by approximately 75 people. The picnic, originally scheduled for a county park, was transferred indoors because of cloudy weather.

LEMON GROVE V.F.W. TO PICNIC TUESDAY

V. F. W. Post and Auxiliary 2082 of Lemon Grove will have their monthly pot luck dinner at Eucalyptus Park on Bancroft Street, Spring Valley, June 22, at 6:30 p.m. Each member will bring a hot dish, salad or dessert along with their own table service. Let's all have fun and see prospective members along with our members. Call Mrs. Ted Thomas, HO 9-6450 for further information.

Mrs. James Bennett, worthy matron, and Mr. Sidney Morse, worthy patron, presiding.

ENTRIES HEAVY FOR TORREY PINES SPORT RACE

TORREY PINES—Sunday is the deadline for entries in the fourth running of the Torrey Pines Sports Car Races July 3-4, Remy Jackson, race chairman for the sponsoring San Diego Junior Chamber of Commerce, said today.

No post entries will be accepted for the two days of racing over the 2.7-mile Torrey Pines course, a picturesque seaside layout a few minutes drive from downtown San Diego. Upwards of 150 drivers are expected to compete for trophies and other awards.

Working in close cooperation with the Junior Chamber of Commerce automotive committee on arrangements for the Torrey Pines classic are such organizations as the California Sports Club of Los Angeles, the Southern California Sports Car Club and the local San Diego Sports Car Club.

ANNIVERSARY WINNERS ANNOUNCED

Mr. and Mrs. N. L. Tubbs, 3028 Main St., were winners of this week's anniversary drawing at the Lemon Grove Pastry Shop, it was announced this week.

Cloyed Reviews Election Returns

Ralph R. Cloyed, who ran second to Fred Kraft for the Republican nomination for the State Senate stated this week that even though he lost on a county-wide basis by 1½ votes per precinct, he appreciated that in the County, outside of the City of San Diego, which he had formerly represented in the State Assembly, he had received the majority of the Republican votes.

Cloyed said, however, the Senatorial District comprises all of the county and that he had found by experience that the voters of the county, by the time election day came around, became well informed not only on the candidates but on the propositions on the ballot, and seldom made mistates, and, therefore, since the majority of the Republicans in the county had voted for Senator Kraft, he would support Kraft in the general election.

The majority in the Senate is now and will remain Republican. Therefore, it would be 'in the best interest of the county to elect a Republican, especially when the Democratic nominee favors repeal of the recently enacted legislation making it possible to dismiss a public employee who refuses to answer when asked if he is a communist.

The Republican vote for Cloyed in the county was as follows:

Vista	60%
Ramona	67%
Fallbrook	66%
Carlsbad	69%
Coronado	48%
Oceanside	59%
El Cajon	52%
Chula Vista	82%
Escondido	36%
Del Mar-Solana Beach-Leucadia-Cardiff-Encinitas	57%

In Lemon Grove Cloyed polled more votes than did Kraft. Republican votes ran Kraft 625, Cloyed 634 and Edmonds 99. Democrats voted Kraft 320, Cloyed 355 and Edmonds, 1024.

MISS BATES AND MR. VAN DUSEN TO WED

Miss Barbara Bates, daughter of Mr. and Mrs. John Bates, 7543 Roosevelt, and Robert Van Dusen, son of Mrs. William Van Dusen, La Mesa, and the late Major William Van Dusen, USAF, will be married Sunday at 3 p.m. in the Community Congregational Church of Chula Vista. Rev. Dan Apra will officiate. Miss Janet Hentigan will be maid of honor; Miss Dianne Lairsey, bridesmaid; Richard Van Dusen, best man; William Van Dusen Jr., Bert Koopmans, John Bates, Don Lowry and Norman Head will usher. Miss Valerie Loustalet will be organist. Mrs. Raymond Johnston will sing. Miss Judy Bates, sister of the bride, will offer the guest book.

Miss Barbara Bates was graduated from Helix High School and attended State College. Mr. Van Dusen was graduated from Grossmont.

The couple will reside in La Mesa.

SCOUT LEADERS HOLD LUNCHEON GET-TOGETHER

Thirty Scout Leaders and coleaders enjoyed a luncheon party at Michael's Cafe Monday.

The meeting officially ends the year's activities except for Day Camp next month. Existing troops will reassemble in September, when school starts, and new troops will be formed at that time.

BILLY GRAHAM PICTURE TO BE SHOWN

"Oiltown U. S. A.," a movie concerning the life and times of a convert to Christianity, a fabulously wealthy oil man, by Billy Graham, will be shown at the Baptist Church Wednesday at 8:00 p.m., said Morris Mulkey, pastor of the church.

The film will be shown without charge except for a free will offering and everyone is invited to attend.

MRS. THOMAS' PIANO RECITAL TO BE PRESENTED FRIDAY

Mrs. Martha Thomas will present her piano students in a Spring Recital Friday at 7:30 p.m. at the Golden Ave. School.

The following pupils will take part: Carolyn Lybrand, Dianne Mills, Joan Mills, Dudley Griffen, Judy Easton, Vincent Diaz, Dianne Pearler, Martha Allen, Cheryl McGee, Vance Hopkins, Robert Nelson, Dianne NeNashi, Janice Fuhushima, Brenda Priest, Kenneth Priest, Judy Oaks, Patty Oaks, Karon Meyers, Patty Meyers, Janet Engelstad, Janet Tilton, Ethel Gregg, and Darice Clark.

Dinner to Be Held

"Ending seven years together, win or lose," read invitations to supper before Baccalaureate for Helix Band and Orchestra Sunday, June 13. The four honored by Mr. and Mrs. L. R. Fields, 6821 San Miguel, were Marlene Dawsan, Diane Lairsey, Jim Smith and their son Bob. Also honored were the 22 who have formed the Pep Band for the past three years of which Bob has been leader.

The table, laid in green and silver, was centered by a huge cake in the shape of a band stand. A miniature Pep Band complete with plaid tams and ties and appropriate musical instruments decorated the cake and all 22 names of past and present members.

Mr. Paul Cheatham, music director of Lemon Grove School, was an honored guest.

Marline, daughter of Mr. and Mrs. Henry Dawsen and Diane, daughter of Mr. and Mrs. D. D. Lairsey, will enter State College this fall, Jim, son of Mrs. Anna L. Smith, will enter Stanford, Bob Fields will enter Baylor University at Waco, Texas. Bob and Jim, close friends for years, shared the Helix grand award

SUMMONS

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN DIEGO.

No. 188396

YING ON MERCHANTS AND LABOR BENEVOLENT ASSOCIATION INCORPORATED, a corporation, Plaintiff

vs.

YOU PING HOM and WING NGIM TOM, and JOHN DOES ONE to TEN, Inclusive, Defendants

Action brought in the Superior Court of the State of California in and for the County of San Diego, and the Complaint filed in said County of San Diego, in the office of the Clerk of the Superior Court.

The People of the State of California Send Greeting: To YOU PING HOM and WING NGIM TOM, and JOHN DOES ONE to TEN, Inclusive, Defendants.

You are hereby directed to appear and answer to a Complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of San Diego, within ten days after the service on you of this summons—if served within this County; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the Complaint, as arising upon contract or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and seal of the Superior Court of the County of San Diego, State of California, this 19th day of April, 1954.

R. B. JAMES, Clerk
By L. M. Crane, Deputy
(Seal of Superior Court)

NOTICE TO BIDDERS

The Grossmont Union High School District will receive bids on Miscellaneous Supplies and Equipment for:

Automotive, Books, Periodicals & Library, Building Materials, Cafeteria & Home Economics, Custodial, Electrical, Furniture, Gardening and Grounds, Health, Instructional, Industrial Arts, Musical, Office Machines, Salvage, Laundry Service and Tire Recapping.

Each Bid shall be submitted on a form obtained at the Purchasing Department, Grossmont Union High School District, Grossmont, California; shall be sealed and filed in said Purchasing Department on or before 2:00 P.M. on June 24, 1954

and will be publicly opened and read aloud at that time and place.

The Grossmont Union High School District reserves the right to reject any or all bids, to accept or reject any one or more items of a bid or to waive any irregularities or informalities in the bids or in the bidding.

Preference will be made in the award for California-made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

Take it from Miss Bonnie Breniman, telephone company service representatives in the local exchange office receive a variety of calls from subscribers. The number of these specialists required to handle the ever increasing number of calls has jumped from five at V-J Day to 12.

A telephone, a pencil, a commitment pad—these are the major tools used by Miss Bonnie Breniman, 1173 Carr St. of Lemon Grove, in performing her duties as a service representative in the La Mesa telephone business office.

And on the personal side, there's a pleasant voice and a warm smile.

She was raised in Colorado, and started her telephone career in 1948. She transferred to the local office three years ago.

Miss Breniman is one of 12 service representatives. From starting time (8:30 a.m.) until they close their desks at 5 p.m. they are handling telephone requests for some of the subscribers with over 17,000 telephones for which they are responsible.

Today's service representatives are highly trained specialists. Patience, intelligence, judgment, tact, friendliness and accuracy are some of the qualities they need and have a constant chance to exercise.

Incoming telephone calls cover a wide range of subjects, such as moving a telephone to a new address, adding extension telephones, listings in the directory, and answering any questions a customer may have about his bill.

Home builders frequently discuss the most desirable spot to place a telephone before their homes are completed.

They handle applications for new telephones as well as requests to temporarily discontinue service for subscribers on vacation.

But contacting the public is only half of their job.

A great majority of subscribers' calls to the telephone company are placed first through these specialists. After receiving a request, they see that the work is performed according to the customer's wishes. At times this necessitates handling orders, writing letters or making telephone calls to other departments within Pacific Telephone.

They may handle a contract with a business firm to its conclusion, intemize a bill, or give information on a call to any place in the country.

Miss Breniman says when she picks up the telephone receiver, she may hear a voice at the other end of the line asking questions as:

"I just moved into town—can I get a telephone right away?"

"I want to know whether the man will be here before 3 p.m. to move my telephone—I am waiting to go out."

"My sister lives with me and wants her name listed in the directory with my telephone number. Can you do this for me?"

These questions and a lot of others.

"That's one of the most interesting phases of the job," she said. "We certainly get lots of different types of questions, and by doing our best to answer them, we know we are doing a public service," she concluded.

This article, supplied by the Telephone Company, does not constitute an endorsement of the company by this newspaper.

"Highland Lads And Lassies"

By BOB TURNBULL

Smile . . . One sweet young Helix thing to another: "He told me my kisses were intoxicating—then I discovered he was mixing his drinks!"

—o—

Queen Johnson . . . Congratulations are in order for 16-year-old Jo Johnson, daughter of Mr. and Mrs. Harold Johnson, 4772 Campo Dr., who recently was named Fairest of the Fair and will reign over the Southern California Exposition and County Fair at Del Mar June 25-July 5.

Miss Johnson has blue eyes and blond hair. She lightly tips the scales at 122 and stands 5 feet 6½ inches tall. By the by, the best part of this whole event is that Jo is a junior at Helix High School. Her ambition is to become a professional model.

Our gal, representing San Diego, was picked queen over 25 other candidates at a coronation ball at the exposition's Bing Crosby Hall. She was crowned by Dot Forbes, last year's queen. Jo will be salaried during the exposition. All proceeds from the coronation ball went to her. Other Helix girls (or alumni) seeking the queenship were: Vickie Seeman, Lemon Grove; Maralyn Hawkins, La Mesa; Lulu Doud, Rolando; Gail Wales, Spring Valley, and of course Jo.

—o—

Coral Fantasy . . . "Coral Fantasy" was the name of Helix's prom that was held last Friday night. Pretty formals and white dinner jackets were seen swaying to the soft melodies of Danny Hale's popular dance band. The prom was held at Imig Manor Hotel where we had access to the dance floor, lobby, patio and swimming pool. All the juniors and seniors who paid their dues received a free bid and were also able to buy outside bids. This gala affair, which is the most impressive of all our school dances, was from 8:30 p.m. to 12:30 p.m. A wonderful time was had by all and I would like to thank the Prom Committee and all those who helped them put over such a beautiful dance.

—o—

Graduation . . . Tonite marks a major stepping-stone in the lives of all seniors that are graduating at 8:00 p.m. in the Greek Bowl at San Diego State College. For some of them it is the end of their education. For others it is only the beginning. But you parents can rest assured that when a student graduates at Helix he (she) has learned many basic fundamentals of various subjects. Some boys and girls majored in subjects varying from Electric shop to Health to Latin. But no matter what class your son or daughter passed in, they received the best of applied teaching. Congratulations all you 308 **men** and **Women!** I hope you go far in this vast world of ours and most of all —God Bless You!

—o—

Platter Parade . . . Here are this week's recommended records at Ratner's, 8th & Broadway in San Diego. (Some are old, some are new). "Little Things Mean a Lot," "Wanted," "Sh-Boom," "If You Love Me," "Hernando's Hideaway," "Star Dust," "Three Coins in the Fountain," "Happy Wanderer," "A Thousand Stars," and "Hey There."

Church of Christ Sets Opening Date

The first scheduled meeting of the new $32,000.00 Lemon Grove Church of Christ in their new building at 2515 Imperial will be held Sunday July 4th.

Ralph Aycock, from Hermleigh, Texas will be resident evangelist. He said that the elders and members of the congregation that meets in La Mesa had expressed a desire to have a church in Lemon Grove for a long while and that these members have made the new project possible. These are the members which will make up the nucleus of the new congregation.

The first congregation will total about 125 and the church extends a welcome to all in the community. The bible alone is the creed of the church, Rev. Aycock pointed out.

In Pasadena a dog catcher broke up a dog fight, hustled one of the participants, a spaniel, off to jail. He was wearing a dog license dated July 1, 1925.

FORTNIGHT

FIRE AUXILIARY TO HAVE PICNIC

The Women's Auxiliary of the Fire Department with Francis Tubbs presiding, met last week.

Honorary membership was extended to Borna Bender. Hostesses were Helen Sanches and Francis Tubbs.

July 13 is the date set for the picnic for the women and children, in Collier Park. All members and offspring will meet in the park at 11:00 a.m.

LETTERS TO THE EDITOR

Dear Sir:

It was very kind of you to send the picture taken the evening Judy received a bond from the Masonic Lodge. We appreciated it very much. She can put it with the certificate and bond as a treasured part of the outstanding evening.

Thanks again.

Sincerely,
Mrs. John Koopmans

PURE FOOD CRUSADER

The outstanding leader in the crusade for federal legislation regarding food adulteration was Dr. Harvey W. Wiley, chief of the U. S. Bureau of Chemistry from 1883 to 1914. His influence on public opinion resulted in the passage in 1906 of the Meat Inspection Act and the Pure Food and Drugs Act.—The American Peoples Encyclopedia.

Eighty per cent of all home buyers wind up paying from $72 to $90 a month for housing expense—including mortgage payments, maintenance, water, gas, electricity, and fuel. The average $3,000 to $3,600 a year family buys a house worth about $9,000 and pays $72 a month in housing expense; while the average $6,000 to $6,600 a year man pays about $11,700 for his house, and it costs him $90 in housing expense.

STATE SEEKING LOAN EXECUTIVE FOR L.A. OFFICE

The state is looking for a good man to fill the post of assistant state savings and loan commissioner, in charge of the Los Angeles office.

The job is considered of key importance because of the huge real estate and loan activity in the area. Examination of savings and loan associations for financial stability is a major responsibility, but the post also carries a variety of other duties designed to protect investors, depositors and borrowers.

Minimum requirement for applicants is five years' supervisory experience in savings and loan activities, preferably with a college education in economics, accounting or law. Additional qualifying experience may be substituted for educational requirements.

Salary starts at $676 a month, with periodic increases up to $821.

Information and applications are available at the State Personnel Board, on Columbia St. in San Diego.

Stop When School Bus Lights Flash Says Highway Patrol

SACRAMENTO—Do you know the school bus passing law?

Review of accident reports reaching California Highway Patrol Headquarters indicates that many drivers apparently do not know the requirements regarding school buses.

"The law provides that motorists must stop for school buses when the red lights are flashing. This is true, regardless of the direction of approach. After stopping, drivers must remain standing until the red lights cease flashing," explains Patrol Commissioner B. R. Caldwell.

"The only exceptions which permit motorists to proceed without stopping for these flashing lights occur when the bus is on the opposite side of a divided highway, or when the bus is stopped at an intersection controlled by a signal or a traffic officer," he added.

Caldwell cautioned against stopping for school buses when the lights are not flashing, pointing out that frequently such stops are not expected by other drivers. As a result, confusion arises and serious multiple car collisions sometimes occur.

"Because of the unpredictable actions of youngsters extra caution is every motorist's responsibility whenever near a school bus."

Appeals For Aid

ANGRILY insisting he is telling truth, Army Secretary Stevens appeals to chairman for aid during questioning by Senator McCarthy (R), Wis., in Senate probe. *(International Soundphoto)*

MASSACHUSETTS MAN NAMED PRESIDENT OF MOTHER CHURCH

WILLIAM R. KNOX

Officials of the La Mesa Christian Science Church announced that William R. Knox of Boston, Mass., today was named President of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, at the Annual Meeting of The Mother Church attended by Christian Scientists from many parts of the world.

Mr. Knox's appointment was announced by The Christian Science Board of Directors. The term of office is for one year. He has been an authorized Christian Science practitioner in Boston—the world headquarters of the Christian Science movement—for almost 50 years.

Prior to devoting his full time to the practice of Christian Science healing, Mr. Knox was in the structural steel business. He first became interested in Christian Science through the healing of his mother.

Mr. Knox has served the denomination in a variety of posts. A former member of the Finance Committee of The Mother Church, he is now active as a Trustee of Church Realty Trust.

CHAMBER FRETS AS S.D. SEWER ISSUE DRIBBLES OUT

Alarmed over a possible setback to San Diego's continued expansion as a result of the defeat of the sewer bond issue, directors of the San Diego Chamber of Commerce unanimously decided that immediate steps should be taken to solve San Diego's sewage disposal problem.

Directors authorized the Chamber executive committee to propose to city officials that a meeting be called "of the responsible leadership of the proponents and opponents of Proposition B to try to find a solution to the sewage disposal problem."

Co-chairman Chester Dorman of the Metropolitan San Diego Sewer Bond Committee reported to directors that the core plan had been defeated although nearly 60 per cent of the voters had favored the proposition.

"I believe that now is the time we must set aside our bickering and difference and that opponents and proponents should sit down to evolve a plan for the good of San Diego," Dorman said.

Longer Hours For Library

The Lemon Grove Library will be open more hours beginning July 1st when the new schedule will be from 10 to 7:30 daily except Sunday. This change is due to the constantly increasing use of the Library not only by residents of Lemon Grove but also by people from the surrounding area who find it convenient to shop at the Lemon Grove stores when visiting the Library. All residents of the county are welcome to use the library and in spite of the crowded conditions every effort is made to give them the information and books they want.

In the twelve years the Library has been located at Golden and Imperial, it has grown from a circulation of 23,906 a year to 93,438. The quarters originally consisted of one room; in 1948, when the circulation had reached 37,300 a second small room was added. The space which was adequate for 37,300, seems more than a little crowded now that approximately 40,000 visits a year are made by the 4,123 registered library patrons to use the reference books and to take home 93,438 books.

Grosmont Classes To Start Next Week

Grossmont Adult School classes will start next week and finish July 30.

Meetings will be held at the Adult Center, corner of Acacia and Orange St. in La Mesa and the following classes will be offered:

Monday and Tuesday, 9 to 12 a.m. and 1 to 4 p.m. are sewing classes taught by Mrs. Agnes Anderson.

Monday, 7 to 10 p.m., Spanish taught by Mrs. Louise Schell.

Tuesday, 7 to 10 p.m., Photo Oils taught by Mrs. Mildred Dilley.

Wednesday, 9 to 12 a.m. and Thursday, 7 to 10 p.m., will be classes in gardening taught by Mrs. Margaret Wheatly.

Wednesday, 7 to 10 p.m., Sewing taught by Mrs. Illah Fuller.

Thursday and Friday, 9 to 12 a.m., Spanish taught by Mr. Raul Rosado.

Thursday, 1 to 4 p.m., Copper tooling taught by Mrs. MaryLou Buck.

Two classes are scheduled for Grossmont High School:

Monday and Tuesday, 7 to 10 p.m., Auto Shop in Room 80, taught by Mr. Vernon Hill.

Monday and Wednesday, 7 to 9:30, Driver Education in Room 21, taught by Mr. Douglass Kerr.

SOUTHERN CALIFORNIA EXPOSITION
JUNE 25 THRU JULY 5

More Info on Vacation Time in The Southland

Because the vacation schedule published in last week's paper attracted so much commedation, the Review this week publishes another section of it and extends it to the end of the month.

Now thru June 27—Annual Exhibition of Artists of Los Angeles and Vicinity, at Los Angeles County Museum. More than 2700 works to be judged.

Now thru July 24—Hollywood Park Horseracing. Top thoroughbreds run at Inglewood track, which has been newly landscaped again, with its acres of flowers and graceful lake in the infield, home for a flock of geese tended by a beautiful goose-girl.

All Month—Descanso Gardens Flower Wonderland, in La Canada, near Los Angeles. Flowers, 160 acres of them—hundreds of Azalea bushes of many colors in brilliant bloom. Camellias, Roses. Gardens open seven days a week.

June—Grunion hunting on the beach. Grunion are queer little fish, for which visitors "hunt," not "fish," because the grunion flop up on the sands on Southern California beaches when the moon and tide are right, to be picked up by bare hands, and perhaps fried over open fire.

June 19, 20—Lemon Grove Rodeo. Our own show with bronc-riding, calf-roping, cattle-cutting, exhibition of trick horses and mules, and Western barbecue.

June 19, 20—Big Bear Lake "Old Miners Days." Mile-high lake community in San Bernardino Mountains stages celebration of parades, log sawing contests, donkey races, and reenactment of ride of Don Benito Wilson, who discovered the area in 1845, then swarming with bears.

June 20—Shadowette's All-Girl Horse Show, at Devonshire Downs, Northridge. Women's riding club puts on show of polo classes, hunter and jumper stakes entered by outstanding women of equestrian field. Teams of two girls, on foot, catch and tie ribbons to tail of calf.

June 20—Pala Corpus Christi Fiesta. Little Pala Mission in northern San Diego County, only one of California missions still serving Indians, is scene of colorful procession through village streets, with services conducted at altars along the route.

June 25-29—8th Annual Vista-Palomar Ride, in San Diego County. Riders start out from Vista, the "Avocado Capital," and ride the original road up Palomar Mountain, site of the world's biggest 200-inch telescope.

June 25-July 5—San Diego County Fair and Horse Show, 14th annual at Del Mar Fairgrounds. Flower show, gem and mineral display from the county areas, International Photo Salon, rodeo, old-car races.

June 26—Huntington Beach Tidelands Race. Beach city in Orange County holds races of sloops, cutters, yawls, schooners.

June 26, 27—Lakeside Doll Festival. Third annual. Dolls dressed in unusual clothes designed and made by local women. Parade, show and barbecue dinner.

June 26-July 4 tent.—38th Annual La Jolla Tennis Championships, at La Jolla Playground. Twenty-five events for junior groups of boys and girls ages 11, 13, 15 and 18; and for senior groups, men and women.

June 27—Long Beach Speedboat Races, at Marine Stadium: Stadium, part of Long Beach's elaborate marine recreational facilities, is especially constructed for boat races.

June 27—Coronado Island Race, of 30 sailing craft of all classes for 36 miles from San Diego Bay to Coronado Islands and return.

June 29-Sept. 5—La Jolla Playhouse. Little theatre in suburb of San Diego stages outstanding Broadway plays, one each week, featuring top stage and Hollywood stars. Theatre in its 8th season, is under supervision of Dorothy McGuire, Gregory Peck and Mel Ferrer.

Review to Aid in Statewide Safety Campaign

California's answer to the February White House conference on traffic safety and an attempt to save 700 lives and prevent 22,000 injurious accidents in this state in 1954 is being voiced in a statewide crusade now under way.

The California Safety council, a statewide volunteer citizens organization interested in traffic safety, with the cooperation of the Lemon Grove Review, has launched a traffic safety crusade by appealing to individual drivers in Lemon Grove.

The Council, represented by local traffic safety crusade committees in California's cities and towns requests operators of motor vehicles to sign a safety pledge and display an attractive bumper sticker on their vehicles as evidence of their willingness to know and obey all traffic laws, maintain their vehicles in safe operating conditions and drive by the "golden rule."

Traffic safety authorities in the California Safety council estimate that the objective of 20% reduction in traffic accidents and fatalities will be realized during the crusade.

California's traffic record of more than 3,300 deaths and 110-000 injuring accidents, representing an economic loss of more than $320,000,000 according to a California Safety council survey just made public.

A reduction of one fifth will mean a saving of more than $65,000,000 economically but the principal objective of the council's crusade is the saving of human life and the prevention of painful and expensive injuries, council officials explained.

The California Safety council traffic safety crusade pledge will appear in the columns of this newspaper as a public service. All operators of motor vehicles are requested to sign the accompanying pledge and return it to the REVIEW. A bumper sticker bearing the legend "Safety Pledge —I've signed it. Have you?" will be given to each signer of the safety pledge.

"Let's Get Together and Stop this Needless Loss of Life and Property" is the 1954 California safety crusade motto.

The objective for this county is 20% of all automotive registrations.

Gen. Dean Signs Awards to Grove Women

Lemon Grove Red Cross workers received a citation signed by General William Dean in addition to pins for meritorious service at an awards luncheon last week.

Mrs. Randolph Morse and Mrs. L. D. Newton received 25 year pins. Mrs. William Zilker was given a 28 year pin.

There were several other pins awarded to local citizens for lesser, but equally vital, periods of service.

Rodeo Fri. & Sat.

Continued from page 1

For the past four weeks thirteen beautiful red haired girls have been campaigning all San Diego county selling advanced-sale tickets. The two girls selling the most advanced-sale tickets will be given an all-expense paid trip to Hollywood where they will be guests of Paramount and RKO Motion Picture Studios. Lunch with the stars, and a tour of the studios with beautiful portraits made by studio photographers is included in the prize awards.

The rodeo show in itself will be the finest and filled with thrill after thrill. Calf roping, Brahma bull wrestling, bronc riding, and saddle bronc riding are only a few of the hair-raising events scheduled for the two-day three hour show.

Beginning at 7 p.m. a few minutes after the last bit of rodeo dust has settled, there will be hours of gay dancing to Bill Salle's and his Ranch Hands orchestra. The return of the old favorite "Dime a Dance" is promised for the happy dancers.

For the kiddies of younger years, Scotty's Playland will have its exciting array of attractions. Merry-go-rounds, ferris wheels, scooter rides, and naturally colored cotton candy for the youngsters.

Milton Reade, Chairman for the 1954 Lemon Grove Rodeo, has spent many hours in preparation for this show, and with the full cooperation of his force of committeemen and committeewomen, a success both financially and otherwise, is practically assured.

One of the colorful novelties of this year's rodeo will be Milton Reade's dream . . . a rodeo program of beauty which every viewer will desire for a lasting souvenir. Photographs, and accurate descriptions of each event will fill this huge twenty-eight page souvenir program.

Though the grand entry of cowboy stars begins sharply at 2 p.m. on both days, Saturday and Sunday, the rodeo grounds will be alive with gay and exciting activities from as early as 11 a.m.

Barbecue is Featured

Barbecue foods, cooked by experts, will be available at moderate prices. The customary popcorn, peanuts, and cracker-jacks with the scores of soft drinks will allure the hungry, so the slogan for the rodeo is . . . come early and stay late for a truly grand weekend of fun.

Thirteen photographic students of Helix High will be on hand to take pictures. A photographic contest for this group of students promises to give these shutterbugs an incentive for pictures taken from every which angle and of every known type of interest.

Parking on the school grounds, for a reasonable fee, is available for hundreds of cars, and additional space has been secured at Imperial and Grove.

Officials of the rodeo-fiesta pointed out that Lemon Grove, and all of its private business, may be well proud of Saint John of the Cross's endeavor to bring publicity and prestige to this community, and if this year's show repeats the performances of its previous adventures, another banner year for Lemon Grove, and the Lemon Grove Rodeo may be marked up.

For a weekend of fun, and gaiety, visitors are invited to be on hand early Friday morning to watch the stock and cattle being brought in by Andy Juaregue, who has supplied most of the rodeo with the wildest and stub-bornest broncos, and every last bull and steer will be on hand to challenge the best of this year's champions.

Over My Shoulder

Continued from Page 1

in 1947 the total was $2,000,000. In 1953 we had over four and a half million dollars. In 1949 a gain of 500 homes in one year was registered and at that time homes were 99% owner-occupied.

The Catholic Church about that time had just acquired five acres on which a school was to be erected and the Congregational Church, the oldest church in town, had outgrown its facilities and had plans for a $40,000 improvement. The Baptist Church had purchased the site where it now stands and had plans to spend $50,000 and the Christian Church had just completed a $40,000 structure in Vista La Mesa. This comprised all of the churches except the Adventist which occupied an old style building with a one classroom school.

The clubs listed in 1949 included the Woman's Forward Club which had a large membership and owned, free of debt, a comfortable club house. The Chamber of Commerce had 150 paid members at that time. No other clubs were listed.

Assessed valuation in March of 1948 was $2,800,790, currently the assessed valuation is $12,672,520. Also for comparison, the tax rate in 1949 was $4.61. Today it is $5.97.

George winds up the piece with a description of the population which he says includes many retired Army and Navy personnel, people from colder sections who would rather live here, San Diego business and professional men who prefer our superb climate. He lists local products as chiefly fruit, poultry, eggs and vegetables.

It is almost inconceivable that so great a change could take place in five short years.

THE DIXON LINE

continued from page 1

that found in the redwood groves—the mystery and majesty of growth, the hymn of winds in the tree tops—the shafts of sunlight enhancing the quiet gloom and the peace that passeth all understanding are more to us than any church of four walls.

—DL—

From trees to flowers is but a natural sequence of thought which calls to mind a verse from The Holy Grail by Tennyson.

"Flower in the crannied wall,
I pluck you out of the crannies,
I hold you here, root and all, in my hand,
Little flower—but if I could understand
What you are, root and all, and all in all,
I should know what God and man is."

DIMMER VIEW

Continued from Page 1

some voters will soon regret not having cast for John.

Ralph Cloyed was defeated by the narrowest margin. You'll see Ralph back at the top of the political heap in due time.

With my perfect record for killing off candidates still emblazoned fresh on my mind, I have a warning to serve up to the November candidates. Be nice to me or I'll endorse you! I may even endorse both candidates for the 77th Assembly District.

New Officers

Continued from page 1

officers and chairmen, as well as all members of the club.

The program for the evening, furnished by Cashion's Clarinet Band, led by Garth Cashion, was enthusiastically received.

It is hoped that all parents of music students will attend and support this club next year and carry on the fine work it is doing. The first meeting of the new school year will be held the first Monday in October.

Boy's Project

continued from page 1

in 1915, and has since worked at almost every track in the West in one capacity or another. He resigned last January as the general manager of the Agua Caliente racetrack after almost seven years at the helm.

Clive H. Becker will be retained as Del Mar's general manager and will be charged with the responsibility of getting the plant into shape for the opening, which comes just three weeks after the close of the forthcoming San Diego County Fair.

Del Mar Tents

continued from page 1

by bus, train, auto and private plane.

Children under 12 will be admitted free June 28. A single admission price of 85 cents for adults and 25 cents for children will prevail throughout the rest of the exposition.

Included in the admission price are an atomic energy museum, horse show, armed forces exhibits, Junior Fair, commercial exhibits, art show, photo salon, gem show, tropical fish show, home economics show, hobby show and special events such as a diaper derby, talent show, and mutt show.

Blonde Jo Johnson will reign over the exposition as "Fairest of the Fair."

1,000,000,000 Pounds of Nickel

More than one billion pounds of nickel were delivered to the free world by International Nickel, world's largest producer of the metal, in the four-year period, 1950 through 1953.

Scouts Fix-up

Continued from Page 1

a project has been tried.

The camp will hold an open house July 27 to which the public is invited.

Meals for the two day Kamp Kapers were prepared by the El Cajon Junior Troop using government surplus food.

The project proved so popular and successful that it will be conducted on a larger scale next year.

S. V. Firemen's Ball

Continued from page 1

prizes to go along with the evening's enjoyment.

Co-sponsors of this event, the Women's Auxiliary of the Fire Department and the Firemen's Club, hope all who can will attend. Tickets may be obtained at the door for a dollar donation. Proceeds will go into a fund to furnish the addition to the fire station.

GROVE MAN TO ATTEND CONFERENCE

A Lemon Grove man, Lane F. Cole, 8173 Baldwin Rd., is a member of his Methodist Conference delegation, which with other groups, will make up the more than 2,000 persons expected to attend the National Conference of Methodist Men at Purdue University, Lafayette, Ind., July 9-11.

The meeting will be the first assembly of its kind to be sponsored by the General Board of Lay Activities of The Methodist Church, with headquarters in Chicago.

Theme of the conference will be "Methodist Men Work for Christ."

Among the principal speakers who will address the meeting are: Attorney General Herbert Brownell, Jr., Washington, D. C., who is a Methodist layman; Lem T. Jones, Kansas City, president of United Church Men of the National Council of Churches; and Bishop Richard C. Raines of Indianapolis.

Fran H. Faber, Minneapolis, Minn., is general chairman of the conference.

DISTRICT TEACHERS SET PLANS FOR FALL SCHOOL TERM

At a final executive board meeting of the Lemon Grove District Teachers Association last week, "Our Goal . . . Professional Unity" was chosen as the club's theme for the coming year. Programs will be built around this theme, emphasizing professional growth, membership, and participation. A tentative schedule calls for program meetings in September, December, February, and April. Other months will have regular business meetings scheduled.

The board, in making plans for September, chose delegates to the leaders' conference at Camp Seeley near Arrowhead, held in late September. Lemon Grove will be represented by Louis Poluzzi, president, Keith Dolan, vice president, Lockey Palermo, secretary, and Peg Darroch, Southern Section Chairman.

A tentative budget was also set up for the 1954-55 year. The next meetings of the entire association will be during pre-school workshop in September, when members will have an opportunity to renew old acquaintances and meet new teachers.
